Wines of Northern Italy

I have recently visited the stunning regions of Piemonte and the Veneto in Northern Italy and on this brief yet fascinating trip I met many passionate and high quality winemakers. Naturally I had to taste my way through a large range of different styles of wine (it's a tough job, I know) and as a result I have selected some lovely wines that I hope will provide an interesting vinous snapshot of both areas. The list of wines open to taste will include Prosecco, Gavi di Gavi, Barbera, Valpolicella, Barolo and Amarone plus many more.

Saturday 5th December, 2009, 11-5pm
Grand Open Day

The fourth annual, pre-Christmas, Open Day tasting with a whole host of interesting things to try. There will be the usual varied selection of wines open to taste along with some sparkling wine and a few spirits to get you in the festive mood. There will be all manner of suitable things for Christmas, plus many gift ideas, special offers and extra discounts on the day.
